WISSAL NAOUAII

wissalnaouaii@gmail.com +216-92-733-076 Tunis, Tunisia github.com/WissalNaouaii

SUMMARY OF QUALIFICATIONS

Motivated Software Engineering Student at **Université Centrale** with hands-on experience in robotics, embedded C, computer vision, and real-time systems. Achieved 3rd place at Eurobot 2022 and qualified twice for RoboCup International. Led "Basic for Arduino" workshop using Arduino for 100+ participants. Skilled in C++, Python, OpenCV, Arduino, ESP32, and Raspberry Pi.

EDUCATION

BSc. in Software Engineering and information systems (3rd year)
Université Centarle

Sep 2024 – present Tunis, Tunisia

- Expected graduation: Jun 2027.

Baccalaureate: Computer Science
El Farabi High School

Sep 2022 – Jun 2023 Morgania, Tunisia

- Graduated : Jun 2023.

EXPERIENCE

Robotics Instructor
Discovery Club Junior

Jun 2023 – present Manouba, Tunisia

- Taught students aged 12–18 the fundamentals of robotics, including programming, sensor integration, and circuit design.
- Led workshops using Arduino and Raspberry Pi, guiding students through building and coding autonomous robots.
- Simplified complex technical concepts into engaging lessons, fostering teamwork and problem-solving skills.
- Prepared students for local and international robotics competitions, helping them develop real-world engineering confidence.
- Led "Basic for Arduino" workshop at the National Forum on Robotics and AI, organized by the Ministry of Youth and Sports in partnership with Discovery Club Junior; guided 100+ participants through basic C++ programming and electronic wiring.

Club Member
Discovery Club Junior

2017 – 2023 Manouba, Tunisia

- Participated in national and international robotics competitions.
- Designed, tuned, and implemented PID algorithm and ps3/4 controller for precise motor control and real-time path correction in dynamic environments.
- Built foundational projects in embedded C and electronics.

Club Member
IEEE FST RAS Chapter

2025 – 2026 Faculty of Science of Tunis (FST)

- Participated in TSYP 13 (Tunisian Students and Young Professionals Congress), engaging in sessions on innovation, AI, and future tech leadership.

COMPETITIONS & AWARDS

FSTHackathon4.0 2025

Jul 2025 | Tunis, Tunisia | 1st

Won 1st place with AQUATUNE, an AI energy-brine optimizer, where we developed a simulation and UI demonstrating how AI can optimize energy consumption and brine discharge management in desalination plants addressing critical sustainability challenges for water-scarce regions like Tunisia.

RoboCup Junior 2024 (Qualification: Egypt | International : Germany)

Software Team Member

Feb 2024 – Jun 2024 | Abu Qir, Egypt | Hannover, Germany | 1st | 1st

Developed an autonomous robot capable of independently navigating and solving complex mazes using Depth-First Search (DFS) algorithms. Integrated advanced sensor systems to accurately perceive the environment, enabling precise pathfinding, real-time decision-making, and efficient maze traversal.

RoboCup Junior 2023 (Qualification: Egypt | International :Korea)

Software Team Member

Feb 2023 – Dec 2023 | Abu Qir, Egypt | PyeongChang, South Korea | 1st | 4th

Developed a line-following robot equipped with a camera, integrating advanced computer vision algorithms for accurate line detection and tracking. Utilized multiple sensors and optimized control systems design to achieve precise, efficient, and reliable autonomous navigation.

EUROBOT Junior 2022 (Qualification: Tunisia | International :France)

Software Team Member

24 Apr 2022 – 12 Jun 2022 | Planète Science, France | 1st | 3rd

Won 1st and 2nd Place in the national qualifications (Tunisia), with two teams, 3rd Place in the International Finals (France). Developed semi-autonomous robots, used PS3 controller and PID control systems for navigation and control.

SKILLS

- **Programming:** C/C++, Python, Java, JavaScript, PHP
- **Embedded/IoT:** Arduino, ESP32, Raspberry Pi, ROS, Embedded C
- **AI/ML:** OpenCV, Machine Learning, Deep Learning
- **Web/DB:** HTML/CSS, SQL Oracle, NoSQL, PL/SQL
- **Tools:** Odoo, AWS

LANGUAGES

- **Arabic - Native**
- **English - Fluent (C2)**
- **French - Intermediate (B2)**
